Helene al-Zarqa

See the escarbuncle flying high (flying high)
See the escarbuncle flying high (flying high)
Escarbuncles flying high
Show we are not afraid to die
Æthelmearc is marching off to war.

Rally 'round the banners white on red (white and red)
Rally 'round the banners white on red (white and red)
White on Red we'll rally round
Hold the line and hold our ground
Æthelmearc is marching off to war.

See the column stretch a mile wide (mile wide)
See the column stretch a mile wide (mile wide)
See the column miles wide
We'll take the field from side to side
Æthelmearc is marching off to war.

Rally 'round the king as we fight on (we fight on)
Rally 'round the king as we fight on (we fight on)
Rally all around the king
And soon enough a vict'ry bring
Æthelmearc is marching off to war.
